Dear Green County Neighbors and Friends,

Everyone deserves the opportunity to thrive! United Way of Green County has a unique perspective of community needs – unlike any other organization. Our goal is to work collaboratively to take a hard look at the entire community, assess the needs, develop an action plan, and, most importantly, act on the things that are most important. We are always stronger together than we are alone, and **TOGETHER**, we can make sure we all **THRIVE!**

Together, we are creating opportunities for our children to succeed and setting them up to have bright futures! **Together**, we are providing opportunities for people to move forward from uncertainty to stability. **Together**, we are creating communities where we can all thrive and where everyone feels welcomed, valued, and included.

Please consider a donation to United Way of Green County. Our fundraising goal this year is \$300,000. Every donation helps, and every donation stays right here providing help and support to those who need it most. Please consider a donation to help us reach our goal!

There are many ways to give:

- You can text **WEAREUNITED** to 41444
- You can give online through our website at www.UnitedWayofGreenCounty.org
- You can complete the enclosed pledge card and mail it back to us.
- You can gift securities, such as stock or other investments: Transfer securities from your brokerage account as a donation to the United Way of Green County brokerage account. (Securities will be sold in the United Way account; therefore, you will not be responsible for capital gains, if applicable.) Please contact the United Way office for our brokerage account information.
- For those who qualify, you can donate through your IRA or eligible retirement plans to satisfy your required minimum distribution (RMD). A distribution made payable to United Way of Green County is tax-free (up to \$100,000) and counts toward your required minimum distribution. United Way of Green County is a qualified 501(c)(3) non-profit organization, therefore this is considered a qualified charitable distribution (QCD). If you are interested in learning more about this, please talk with your financial advisor.

We would love to have you be a part of our **Leadership Circle Donors**:

When you support United Way, **your contributions stay right HERE - in Green County** - and the help that you provide touches the lives of people all around you. It is only **with YOUR help** that the United Way can fight for the health, education, and financial stability of every person in Green County. Together, by celebrating our strengths, embracing our diversity, and working collaboratively to address community issues, we can do what no one person or organization can do alone. **TOGETHER** we can **LIVE UNITED!**
